Voter-Owned Elections

2. Until 2013, North Carolina had a law allowing statewide judicial candidates and some Council of State candidates to qualify for public campaign funding or "Voter-
Owned Elections” - if they refuse special interest funds, adhere to spending limits, and prove their grassroots support by obtaining a large number of small contributions from N.C. voters. 80% of candidates used this program in N.C. from 2004-2012.

a. Did you support this program?
   ___ Yes ___ No ___ Undecided

b. Will you vote to implement a new Judicial “Voter-Owned Elections” public campaign funding law?

5. Several cities, including Raleigh, Wilmington, and Greenville, have passed resolutions for state authority to explore local public campaign financing options. If elected, would you support passage of a state law that would give North Carolina
counties and cities the authority to create local “Voter-Owned Elections” or public financing programs for local candidates, as an alternative to the current privately financed campaign finance system?

Disclosure

6. The U.S. Supreme Court ruling *Citizens United v. FEC* allows corporations and unions to create political groups to sponsor independent expenditures that directly support or oppose candidates. Would you support new disclosure and reporting requirements for these groups that require:

   a. Increased disclosure of the income sources and the expenses of independent groups that spend money directly opposing or supporting the election of candidates?

      ___ X ___ Yes ___ No ___ Undecided

   b. Public attribution of the independent group’s top five donors in each political advertisement the group sponsors?

      ___ Yes ___ No ___ Undecided

Why the top 5? Why not a different number or contribution level threshold instead?

Money in Politics

7. Do you support or oppose an amendment to the U.S. Constitution to reverse the *Citizens United* Supreme Court decision?

___ Yes ___ No ___ Undecided

I want to fully understand all options that could be used to reverse the court’s decision.
8. If you have any other ideas for addressing money-in-politics problems please list them below.

I would support efforts to restore the “Stand By Your Ad” law and to eliminate the “dark period” that allows outside groups to fund electioneering ads during the summer months without disclosing their expenditures to the Board of Elections.
